## FINEBENT - Self-Expandable Peripheral Stent-System

*The FINEBENT Stent with a memory that never forgets*

### PUNKT AN DIE SÄTZE

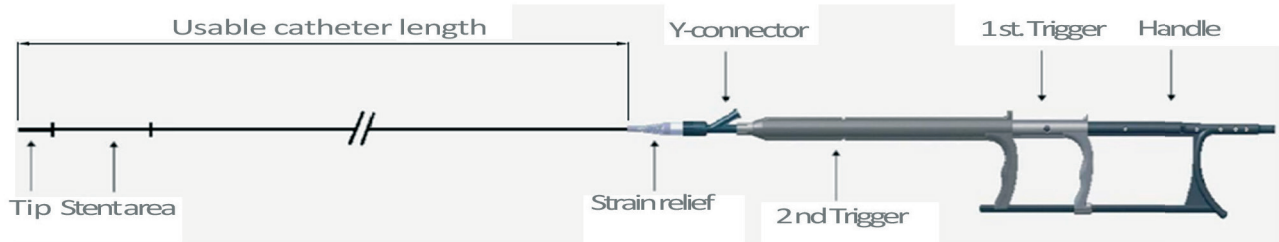

High-grade **Nitinol** is the base for this long memory and offers **stable reshaping** combined with **high radial force**.

Easy to handle with a **user-friendly one-hand application system**.

**Tantalum markers** enable **exact positioning** supported by **minimal foreshortening**.

The **unique wave design of the Stent structure** is designed for a perfect combination of **flexibility** and **radial force**.

**Easy navigation** in all kinds of environment due to a flexible catheter construction with a **high-tech design** consisting of **different sections**.

### Available Sizes with 80cm shaft

Stent Diameter (mm)	Stent Length (mm)				
	20	40	60	80	100
6	SE602080F	SE604080F	SE606080F	SE608080F	SE601080F
7	SE702080F	SE704080F	SE706080F	SE708080F	SE701080F
8	SE802080F	SE804080F	SE806080F	SE808080F	SE801080F
9	SE902080F	SE904080F	SE906080F	SE908080F	SE901080F
10	SE102080F	SE104080F	SE106080F	SE108080F	SE101080F
11	SE112080F	SE114080F	SE116080F	SE118080F	SE111080F

### Available Sizes with 120cm shaft

Stent Diameter (mm)	Stent Length (mm)				
	20	40	60	80	100
6	SE602012F	SE604012F	SE606012F	SE608012F	SE601012F
7	SE702012F	SE704012F	SE706012F	SE708012F	SE701012F
8	SE802012F	SE804012F	SE806012F	SE808012F	SE801012F
9	SE902012F	SE904012F	SE906012F	SE908012F	SE901012F
10	SE102012F	SE104012F	SE106012F	SE108012F	SE101012F
11	SE112012F	SE114012F	SE116012F	SE118012F	SE111012F
